Executive Corner

Dear MANS Member Schools, Staff, Colleagues, and Friends:

MANS was fortunate to host the 2018 Summer CAPE Institute in Detroit last week. CAPE is the Council for American Private Education and is the national voice for all private schools in Washington, D.C. Representatives from 18 states and the new CAPE Executive Director gathered for two days to discuss topics such as successful messaging on school choice issues, how to win students and influence parents, and the relationship between private schools, foundations, and other funders. It is reassuring to know that there are private school advocates across the country representing thousands of schools and hundreds of thousands students and families all with the common goal of providing quality education and choices for parents all to fulfill what was opined by the U.S. Supreme Court in its 1925 decision in *Pierce v Society of Sisters*... the right of private schools to exist and parents' right to oversee their children's education.

Sincerely,

MANS Executive Director

Advocacy

State News

School Safety Police Grant August 1, 2018 - end of August

A total of \$25,000,000 will be made available during the current fiscal year, which ends September 30, 2018, for school safety improvements. A wide variety of school safety projects are allowable under this funding. Please click on the link to learn how to apply. The grant guidelines will be posted [here](#) no later than August 1st.

Pre-K Child Care School Employees: Fingerprint Clarification

An employed pre-K child care staff member must be fingerprinted under the Revised School Code. The Revised School Code states that the board of a school district, intermediate school district, or the governing body of a nonpublic school shall request the State Police to conduct a criminal records check through the Federal Bureau of Investigation which is to be made on an applicant or individual hired for any full or part time employment, as well as an individual working regularly under contract in any of its schools.

Dual Enrollment Reminders for the 2018-19 School Year

The Postsecondary Enrollment Options Act provides for payment from a school district's state aid foundation grant for enrollment of certain eligible high school students in postsecondary courses of education, allowing for what is often called Dual Enrollment. Take a moment to review the key issues with dual enrollment as identified by the Michigan Department of Education to better understand the standing regulations.
