

The Michigan Association of Non-public Schools (MANS)
Administrators' Conference
October 16 – 18, 2019 at Grand Traverse Resort Acme, Michigan.

Conference participants are affiliated with Catholic Schools in all the seven dioceses in Michigan, Christian Schools International, and Schools of the Lutheran Church – Missouri Synod. More than 200 non-public school educational leaders will gather to learn about issues facing faith-based schools while learning strategies to drive school improvement. The conference provides a demanding schedule of professional learning coupled with time for reflection, connections, and fellowship.

We invite you to assist us in recognizing these administrators who work tirelessly for children and their parents.
