Public Policy

Your representative in the state legislature advocating for your rights and needs.

Your liaison to both the Michigan and the U.S. Department of Education.

Your voice on the Council of American Private Education.

Innovative Solution

Monthly communications keep you up-to-date on issues impacting faith-based education.

Members save on energy bills with the Customer Choice Utility program.

Member discounts when available.

Accreditation

For more than 30 years, the Michigan Non-public School Accrediting Association (MNSAA) has provided nationally recognized accreditation services.

MNSAA's rigorous accreditation services meet the unique school improvement needs of Michigan's elementary and secondary non-public schools.

Professional Development

MANS hosts professional development events throughout the year, including two biennial conferences, with a focus on faith-based schools.

The sponsor of State Continuing Education Clock Hours (SCECHs) for our members.

Online tools and best practices made available just for members.
