

MANS CONNECT

VIRTUAL TEACHING AND LEARNING SERIES

October 12 –15, 2020

Mark your calendars for the first ever ***MANS Connect Virtual Teaching and Learning Series***. This unique professional learning opportunity will connect nonpublic school educators with experts in the field on the topics you said you were facing this year. Designed to accommodate a multitude of schedules and grades, this virtual learning series will provide PreK-12 teachers and administrators live and on-demand sessions and resources. Now more than ever, MANS member educators are called to learn and connect around ways to serve students in challenging times. Register for ***MANS Connect*** now.
